## Admissions Policy 2012

- Applications must be submitted by March 1<sup>st</sup> 2012 to be included in the initial round of placements for the 2012/2013 school year.
- Applications submitted after March 1<sup>st</sup> will be considered if spaces are available.
- The director will notify parents of acceptance by April 2<sup>nd</sup>. Anyone not initially accepted will be placed on a waiting list and will also be notified of their status.
- If accepted, 1 month's tuition (this will be applied to the last month and you will have no payment the last month of school), supply fee and all required forms must be submitted to Cheverly Weekday Nursery (CWN) by July 2<sup>nd</sup> 2012.

Admissions decisions are made by an enrollment committee using the following guidelines:

- Applicants will be at least 3 years old and toilet trained by the date that school begins.
- When determining acceptance, priority will be given to families with current CWN students, families with siblings who are alumnus of CWN and to children currently attending Mother's Day Out/Early School Program at CUMC.
- The number of applications for  $\frac{3}{4}$  day, full day and families needing aftercare will also be taken into consideration for placement. The enrollment committee will seek an optimum balance of children attending each of these enrollment options.
- Our intention is to provide aftercare, however we will need a minimum number of children enrolled. We will notify you on April 2<sup>nd</sup> if there are not enough children for our aftercare program.
